

BONAIRE – Draft DRM WS Agenda

WEDNESDAY 22 APRIL 2026

11:00 – 11:45 Panel discussion on User driven space application - *Sander Koenen*

Marie Ménard, Senior Communication Officer, EUSPA

Coco Antonissen, Director Space Applications, NLSA

Caren Eckrich, Ecology Advisor, STINAPA

Savannah Schultz, Senior information investigator, Police

THURSDAY 23 APRIL 2026

Side Event 2, EU Satellite Systems in the Greater Caribbean: Navigating the Future

Side-event 2 part 1: High Levels

Moderated by Zaklin Butinar, Interim Secretary General, Eurisy

09:00 – 09:10 **John Soliano**, Governor of Bonaire

09:10 – 09:20 **Lianne Mooldijk**, Head of Space, Ministry of Infrastructure and Water management

09:20 – 09:30 **Coco Antonissen**, Director Space Applications, NLSA

09:30 – 09:40 **Dominique Tilmans**, President, Eurisy

09:40 – 09:50 **Marie Ménard**, Senior Communication Officer, EUSPA

Side-event 2 part 2: EU Space Components

Moderated by Marie Ménard, EUSPA

10:00 – 10:30 Galileo - **Vincent Chatelée**, Galileo EWSS and SAR Service Manager, EUSPA
Galileo Early Warning Satellite Service (EWSS) live demonstration

10:30 – 11:00 Coffee break

11:00 – 11:10 Copernicus - **Coco Antonissen**, Director Space Applications, NLSA

11:10 – 11:20 GovSatCom - **Coco Antonissen**, Director Space Applications, NLSA
Marie Ménard, Senior Communication Officer, EUSPA

11:20 – 11:30 EU funding opportunities - **Marie Ménard**, Senior Communication Officer, EUSPA

11:30 – 11:45 **Q&A**

Commenté [AP1]: Jaime Ortega, Scientific director of Copernicus LAC Chile ?

Side Event 3, EU Satellite Systems in the Greater Caribbean: Navigating the Future

13:30 – 13:40 INTRODUCTION

Zaklin Butinar, Interim Secretary General, Eurisy

**Side-event 3 part 1: Current challenges and opportunities related to the uptake of satellite data
Users best practices and lessons learned stemming from the use of satellite applications in their daily
operations**

Moderated by Coco Antonissen, Director Space Applications, NLSA

13:40 – 13:50 **Andre Bennett**, Crisis Manager Statia

13:50 – 14:00 **Brandweerkorps Caribisch Nederland (BKCN) – Caribbean Netherlands Fire Service**

14:00 – 14:10 Public Entity Bonaire (OLB) – island government [*Hurricane preparedness, evacuation
planning, coastal flooding*]
