

6th October - 5th “Meeting Space Mentors / Space Mentees”

At 6.15 PM – at SCK-CEN – Boerentang 200 - Lake house – 2400 Mol.

What an opportunity to organize our 5th “Meeting Space Mentors/Space Mentees” in the context of the “25 years of Belgians in Space: Contribution to human spaceflights: towards a better protection of astronauts for future human space exploration”!!

We will focus this time on space life sciences and medical professions ... indissociable from space conquest!

The mission of YouSpace is to give the opportunity to improve your future professional choice in the space sector by meeting, discussing and maybe contracting a mentoring relationship. And even if you are not studying or working in the sector of life sciences, come to develop relationship and perchance collaboration!
