Indicative schedule of work of the Committee on the Peaceful Uses of Outer Space at its sixtieth session^a

The schedule of work laid out below is a general guide to the dates and times when items will be addressed during the course of the session. The consideration of all items can be advanced, extended or delayed, depending on the requirements of the members of the Committee on the Peaceful Uses of Outer Space and any organizational constraints faced during the course of the session.

The Scientific and Technical Subcommittee's Working Group on the Long-term Sustainability of Outer Space Activities will have the possibility of meeting during the sixtieth session of the Committee on the Peaceful Uses of Outer Space, with interpretation services.
